

Guidelines for Awarding a Grant to students of the German School Association for the coming school year

The following guidelines are based on the Scholarship Bylaws of the school:

Financial Support

In the coming school year the school will select families and individuals who apply for a grant and partially support them by paying up to \$100 toward school tuition per student.

Application Form

Student(s) or families applying for a grant must fill out the attached form and send it to the school in order to be considered.

Deadlines

Applications for the Full Year Grant must be postmarked **by August 15th**.

- (i) Students who apply for the Full Year Grant before June 1st are eligible for the reduced (early bird) school fee for the coming year. The grant pays up to \$100 of the balance.
- (ii) Students who apply after June 30th for the Full Year Grant must pay the full school fee. The grant pays up to \$100 of the balance.

The scholarship committee will meet the week after August 15th, to decide on the grant amount and the recipients, and inform the applicants by this week.

Late applications may be considered on a first come, first serve basis.

The first day of school is the first Saturday after Labor Day (see school calendar on our web site).

Guidelines for Grant distribution by the Grant Committee

The grant committee will make the final decisions, using the following qualifiers, arranged in decreasing order of preference:

- Families with two or more children enrolled
- Families with two or more family members enrolled
- Students, who have received support, should be considered for additional scholarships to ensure continuous learning.
- Children will be given preference over adults.
- Other factors may be considered on an individual basis.

Grant Committee

The Grant Committee is a three-member committee composed of the school principal and two members who are not on the teaching staff.
